EDUCATION

VITBhopalUniversity

B.Tech in Computer Science & Engineering
CGPA: 8.44/10

Bhopal, Madhya Pradesh

Jul 2022 - May 2026

12th Standard, CBSE

Sanskar Public School
Cumulative Percentage: 80%

katni, Madhya Pradesh

April 2022

10th Standard, CBSE

Sant paul senior secondary
CBSE Cumulative Percentage: 79.8%

katni, Madhya Pradesh

March 2020

Skills

Languages: HTML, CSS, JavaScript, C++, SQL, Java

Frameworks: React JS, Express, Tailwind, Bootstrap

Developer Tools: Git, VS Code, Postman, MongoDB

Others: RESTful APIs, CRUD operations, Object-Oriented Programming, SaaS Application Development

PROJECTS

TalentSphere – Job Portal Website

Sep 2024 – Nov 2024

- Designed and developed "TalentSphere," a job portal website to facilitate job listings and applications, leveraging React.js for a dynamic frontend.
- Enhanced UI/UX with Tailwind CSS for efficient and responsive styling, ensuring 100% mobile and desktop compatibility.
- Integrated ShadCN UI components to build clean, reusable, and visually appealing interface elements, improving UI consistency by 40%.
- Implemented robust search and filter functionalities, reducing job search time by 60% and enhancing user experience.
- Built full CRUD functionalities for managing user accounts, job postings, and applications, increasing efficiency by 50%.
- Optimized job posting and application process, enabling seamless job applications with an average response time of 200ms.

Tomato – Food Delivery Website

Mar 2024 – May 2024

- Developed a full-stack food delivery application with 100% responsive UI, ensuring seamless navigation.
- User Panel: Enables users to browse menus, place orders, and track deliveries, reducing order time by 40%.
- Admin Panel: Allows managing menus, orders, and user data with CRUD operations, improving efficiency by 50%.
- Built the frontend using React.js, styled with CSS, achieving a 98% mobile-friendly design.
- Implemented Node.js & Express.js for backend APIs, processing requests in under 200ms.
- Integrated MongoDB, optimizing data retrieval speed by 35% for a smooth user experience.

CERTIFICATIONS

- The Bits and Bytes of Computer Networking - COURSERA
- Cloud Computing Course - SWAYAM NPTEL
- The complete web development bootcamp - Udemy
- Python Essential Vityarthi

EXTRACURRICULAR ACTIVITIES

- Actively participated in **VIT Bhopal's Coding Club**, engaging in hackathons and coding challenges.
- Event Organizer** – Coordinated and managed **TechFest 2024**, ensuring smooth execution of coding competitions and workshops.
- Open Source Contributor** – Contributed to GitHub projects, enhancing web applications and fixing bugs.
